Student of UDAYA - Two Year (VII to VIII) + Four Year Classroom Program (IX to XII)

In classes 7 & 8, they focus on the basics and building up a strong foundation. Starting from class 9, they begin the JEE syllabus in full depth. Aside from the usual lectures, FIITJEE also conducts weekly and monthly tests, doubt clearing sessions, All India tests, online tests, and self study sessions on a regular basis. I believe all these things are essential to building up a strong problem solving mind. Aside from the usual PCM lectures in classes 11 & 12, FIITJEE also takes care of Biology, SST and Mat from classes 6-10. I thank FIITJEE for all the support and advice it has given me.
