How myPAT Helps You?

Improve Conceptual Understanding

Your syllabus is broken into small, easy-to-understand concepts to help you prepare effectively

Get Instant Personalized Feedback

Identify your strengths, weaknesses and improvement areas based on vital performance metrics

Benchmark Test Performance

Compare your subject-wise, chapter-wise and concept-wise performance against 4,00,000+ aspirants

Getting Started with myPAT App

Dashboard

Track your monthly/yearly progress to know how many concepts you have mastered. Monitor your test performance metrics such as Total Score, Accuracy Rate and Speed.

Assignments

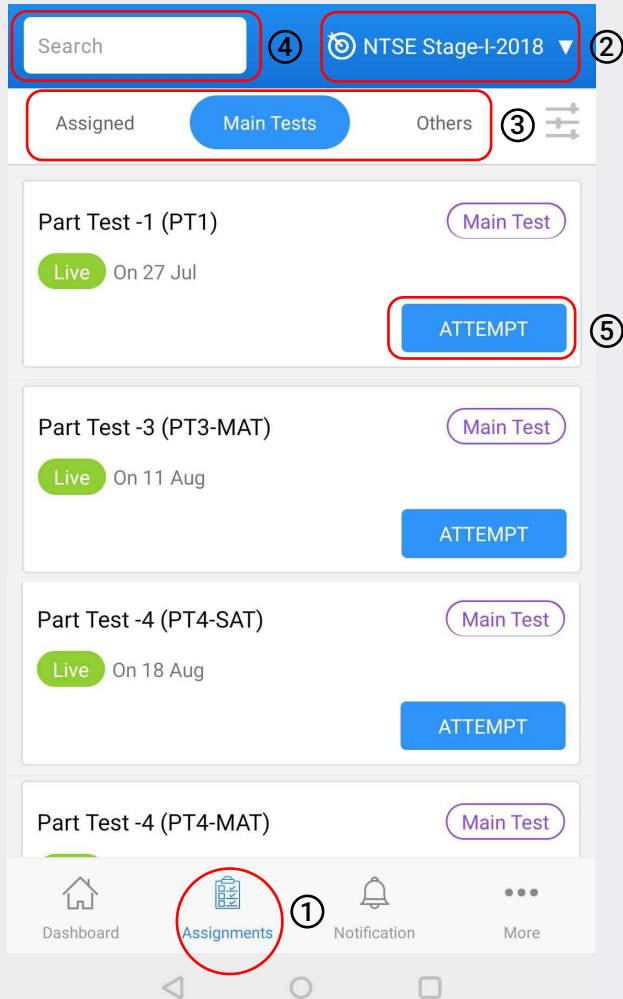

Attempt Concept, Full, Part and Combined Tests in the real test environment – same screen, same question pattern and marking scheme.

Notifications

Stay updated with alerts from the myPAT Community, test challenges by your friends and official notifications from myPAT.

More

Update your profile, refer myPAT App to your friends and reach out to our student support, in case of queries.

How Do I Take Tests on myPAT App?

- 1 Click on the **Assignments** tab.
- 2 Select the target exam for which you want to attempt the assignment.
- 3 Click on any one of the tabs - **Assigned** (assignments shared by your FIITJEE teachers), **Main Tests** and **Others**.
- 4 Scroll to view a complete list of the tests or search for a test of your choice by typing out its name on the search bar at the top.
- 5 From the search results, click on **Attempt** button to start the test.
